Collaborations & Partnerships As one of a relatively small number of organizations supplying resources to poor children in Vietnam, B2L has a unique position to become an organization that is also providing strength to the infrastructure of nonprofit organizations currently in Vietnam as a movement-maker, B2L initiates collaborations and partnerships that strengthen our ability to carry out our mission. We seek partners who work with models similar to ours, supporting the unique needs of each child.

**Explanation**

School Asset Management Even though schools like Anh Linh Free School are poor in capital and cash, they still have more funds than many places in impoverished communities. Keeping the money donated from B2L in their local bank accounts can be a challenge. It attracts attention, and could be confiscated. For schools in developing countries, it is often safer to retain their funds offshore. B2L works with the school to help them with their cash flow and cash management. B2L is creating an escrow account to finance programs for the next year and help the school maintain, budget, and manage the flow of funds.
