For the attention of:

- **Godfathers and Godmothers,**
- **Sponsors and friends,**
- **Former students of Our Lady Congregation**
 - **Sisters of Our Lady Congregation.**

Since August 2015, when the community of Our Lady Sisters has officially started to present and work at Viet Anh Primary School, Da Teh District, Lam Dong Province, this is the first time I write a letter to you.

We do sincerely thank you for
Accompanying us with prayers, words of
encouragement and visits
Supporting us financially,
Helping us through specific material gifts
Always being ready to share when we need help.

Your quiet presence and solidarity have helped Viet Anh Primary School gradually overcome the initial difficulties and gradually stabilize. We believe that you are happy too to see the awards of what we have done for these students on their education pathway, and that you will stand side by side with us to get over obstacles on our way in order to create a better future for these

students. Without your encouragements and material and spiritual support, we cannot do that much.

On behalf of all the teachers and students at Viet Anh Primary School, I would express my sincere gratitude to all sponsors.

As the Christmas and a New Year are coming, I kindly wish you all a Season full of joy and the grace of God, and a happy and prosperous New Year.

Principal of Viet Anh Primary School,
Agnès Bùi Thị Kim Ngọc – CND

**MERRY CHRISTMAS
